

KWR from Austria: unyer organisation welcomes fourth member

Cologne/Paris/Vienna/Milan, 15.03.2023 – unyer, the leading organisation for companies in the professional services sector, is pleased to announce its newest member almost two years after its launch in 2021: the Austrian law firm KWR joins the organisation in 2023.

Unyer has one exclusive member per country, all acting as full service law firms with the same approach. Together, they have already successfully advised many clients. A total of 2,550 lawyers are now working for the organisation at 16 locations – not only in European but also in Asian markets.

Due to the war in Ukraine, the Eastern European markets are again increasingly in the focus of clients. Austria is traditionally the gateway to Eastern Europe for many clients and the addition of KWR takes this increased importance into account.

"I am very pleased to welcome our colleagues from the law firm KWR," says Christine Blaise-Engel, CEO of unyer and Senior Partner at Fidal. "I am convinced that KWR's client focus, combined with their high level of professionalism, will bring added value to unyer to strengthen our performance in the market."

"We are very pleased that KWR has joined the highly renowned unyer organisation. Together with our partner firms, we will be able to provide even better services to our clients." adds Thomas Frad, Managing Partner of KWR.

Made possible by its status as a Swiss Verein, all members of unyer continue to work independently in their home market.
