

### Digitalisation: Luther advises MKS IT Software & Solutions on the sale of its HR division

**Bonn, 14.02.2024 – MKS IT Software & Solutions from Geiselhöring (Bavaria) has sold its HR division to Bonn-based Scopevisio AG based in Bonn. MKS was advised on the deal by Luther Rechtsanwaltsgesellschaft.**

The HR solution is a comprehensive HR management software. For example, it provides its users with a digital personnel file, employee onboarding/offboarding, incentive systems, task management and time recording. In addition to the HR solution, Scopevisio is also taking over employees from MKS to expand the existing development team.

The founder and managing director of MKS, Karl-Heinz Bunkowski, praised the cooperation with Luther as very professional and pleasant: "For us, it was the first transaction in the company's history, so we benefited from the speed, flexibility and commitment of the Luther team and felt very well looked after throughout."

The Luther team worked closely on the transaction with the M&A advisory firm SIGMA Corporate Finance.

Holger Schekorr (Partner at SIGMA Corporate Finance): "The team led by Thorsten Becker was an excellent support during the sales process, as pragmatic and economical solutions were developed for all situations. Luther works at a high professional level and is very service-orientated."

#### **About MKS IT Software & Solutions:**
