

Luther.

Invitation to exclusive pre-conference pitching session

Dear guests,

Once again, we would like to give a small number of selected startups and growth companies the chance to take part in pre-conference pitching sessions on the morning of the **30th of January 2020** in our Berlin office at **Friedrichstraße 140, 10117 Berlin**.

To apply for this session, please send a one-pager or pitch deck to the email below:
york-alexander.von.massenbach@luther-lawfirm.com

Our panel will pre-scan the applications and select suitable startups/growth companies to get the chance to pitch in front of our investors in an informal investor's meet and greet before the conference (one-on-ones). For any questions please contact York.

See you in Berlin.
