## Luther counsels Milupa for construction of new production facility in Fulda

**Cologne/Leipzig – Luther Rechtsanwaltsgesellschaft mbH has counseled Milupa GmbH and the group parent company Danone for the construction of a production facility in Fulda the size of 15,000 sqm. Milupa is doubling its capacities in this location.**

The implementation of the new construction project at Schleyerstrasse 4 in Fulda will be handled by a team by Cofely Germany and Ed. Züblin. Danone, the group parent company of the baby food producer Milupa is the client. The plan is to complete the building in September of 2015.

Luther comprehensively counseled the mother group company Danone as well as the subsidiary Milupa for the 45 million Euro construction project. In addition to the preparation of the FIDIC contracts, the firm acted as the interface to international project partners - such as for the commercial management that was held by a company from the Netherlands, as well as for the technical project control (company from Ireland) and for the German general contractor - a team made up of Cofely and Ed Züblin.

Luther has counseled several times for Milupa and other German group companies Danone in the past. For example, the Leipzig Corporate Partner Denis Ullrich is counseling the medical nutrition division of Danone on a regular basis regarding corporate law related affairs.
