Agenda

Virtual Brown Bag Lunch

Introducing the ICCA Guidelines on Standards of Practice in International Arbitration

Dr Michele Potestà, Lévy Kaufmann-Kohler, Geneva

Earlier this summer, the International Council for Commercial Arbitration (ICCA) launched the Guidelines on Standards of Practice in International Arbitration. The Guidelines were developed by ICCA's Task Force on Standards of Practice in International Arbitration, a body created to identify and promote minimum civility standards within the international arbitration community. The new Guidelines are equally intended to serve as guiding principles of civility in the field, reflecting the many cultures and situations in which international arbitration is employed.

Dr Michele Potestà, partner at Lévy Kaufmann-Kohler in Geneva, served as one of three rapporteurs for the establishment of the Guidelines. His presentation will introduce the Guidelines, their genesis and goals.
